STAT From:

Liaison Division
Office of Legislative Liaison

Subject: Merit Pay

1. Attached for your information and analysis are copies of S.958 and a General Accounting Office (GAO) report. Both deal with the subject of merit pay in the federal government, and while do not bear directly on the Agency (because of our exemption), may nonetheless prove interesting and useful to the Office of Personnel.

2. This legislation, as you no doubt are well aware, has been and continues to be bitterly opposed by federal employee unions and their associations, and has been the subject of at least one law suit. It does not presently give the appearance of succeeding to enactment.

3. This office will continue to follow this issue in the Congress and report to you as appropriate.
